33rd Floor

WEEK 8

WEDNESDAY, JULY 13, 2005

6:15 PM

Bill Hutz, AIA

Amtech Roofing Consultants

Bill Hutz began working with Amtech Roofing Consultants in 1996. He has over thirty years of experience in architectural design, project management, and construction administration overseeing multiple small to medium sized projects simultaneously, as well as individual large scale and complex projects.

His expertise includes complex construction detail development and review, interdisciplinary coordination, specification writing, and roofing and waterproofing design.
