

Houston Internship Program

TTU College of Architecture

LECTURE SERIES I

“Why Practice Healthcare Architecture?”

Offices of HOK, Inc.—2800 Post Oak Blvd
33rd Floor

WEEK 7

WEDNESDAY, JULY 6, 2005

6:15 PM

Alan Black, AIA & Joseph Maytum, AIA
FKP Architects, Inc.

Alan Black is a senior design associate with FKP as a healthcare programmer, designer and planner with 13 years of experience. He has worked on projects ranging from single high-tech departments to major replacement hospitals with over one million square feet of space. His understanding of medical technology and healthcare operations enables him to engage users in exploring new ways to work.

Mr Black graduated from the University of Houston with a Master of Architecture. He also received his Bachelor of Business Administration from Baylor University. He is a registered Architect in the state of Texas.

Joseph R. Maytum graduated from the University of Houston with a Bachelors of Architecture. While in school he worked full-time for Vernon G. Henry and Associates an urban planning and landscape architecture firm. After graduating in 1993, he joined FKP Architects. In 1999, Joseph left FKP to work with Webb Architects and then WHR Architects. Mr. Maytum returned to FKP in 2001.

Mr. Maytum practices healthcare and research based architecture with a focus on pediatrics. He has worked on projects ranging in size from single high-tech departments to major replacement hospitals with over 1,000,000 square feet of space. Mr. Maytum is currently a senior design associate with FKP Architects, Inc.
