The students have worked very hard this summer and we would like to share their work with you through a power point presentation by each group. We will run one review from 10am—11:30am and a second review from 1:00 pm—4:00 pm. Please plan to attend either morning or afternoon. Our lunch will provide an opportunity to greet, meet and dialog about the internship experience. We'd like to coordinate a balanced review if possible, so flexibility is appreciated.
