LECTURE SERIES II

“Project Overview—Intermodal / Multimodal Transportation Terminal for the City of Houston”

Central Houston, Inc

WEEK 1

FRIDAY, MAY 26, 2006

Bob Eury

Central Houston, Inc.

Central Houston, Inc. began in 1983 and is the steward for Houston’s downtown redevelopment and revitalization. The organization focuses to enhance collaboration among public officials, developers and businesses.

The need for Central Houston’s leadership and oversight is critical. Its role as a catalyst for collaboration and coordination is expanding with the number of development projects in downtown that require review and oversight. Central Houston offers unique opportunities to shape Houston’s future.

They have played an integral role in bringing the project for a major transportation terminal to downtown Houston.

Mr. Eury has served as the president of Central Houston, Inc. for the past 23 years.
