

ACCESSING ARCHITECTURAL GRAPHIC STANDARDS ONLINE

IMPORTANT INFO:

The University Library recently subscribed to Architectural Graphic Standards Online. The subscription allows for 10 simultaneous users. However, unlike other products that allows for 10 simultaneous users, the first 10 users access the databases and reject all other subsequent users, AGS has a history of allowing the eleventh person to access the database while kicking off the first user. Please keep in mind that our subscription is licensed for Texas Tech faculty, students and staff only.

- 1) Accessing the database: please read the note next to the web link on the libraries' website
- 2) After this, you will click on the appropriate line
- 3) Enter our username and password:
 - a. Username: 0146920700000
 - b. Password : 0287457982
- 4) To view images you will need to download the Adobe SVG Viewer 3
- 5) The keyboard and mouse shortcuts for Adobe SVG viewer plug in are listed below

Keyboard & Mouse Shortcuts for Adobe SVG Viewer Plug In

To Zoom In:

Single Point Zoom: Hold down the Control key and left click. Drawing will zoom in at mouse point.

Defined Area Zoom: Hold down the Control key and left click and drag mouse to define area to zoom.

Drawing will zoom in at area defined by mouse drag **OR**

Right click on drawing and choose zoom in from menu.

To Zoom Out:

Hold down the Control and Shift keys and left click. Drawing will zoom out at mouse point. **OR**

Right click on drawing and choose zoom out from menu

To Return to Original Drawing Zoom Level

Right Click on drawing and choose original view from menu

Panning:

Hold the option key and click and drag with the mouse to pan an SVG image.

Zooming:

Hold the command key and click to zoom in at the mouse pointer location.

Hold the command key and click and drag to select a region to zoom into.

Hold the shift key, too, to zoom out.

You can also use the zoom commands in the context menu.
