

Houston Practicum Program

TTU College of Architecture

LECTURE SERIES II “Structural Engineering”

WEEK 4

FRIDAY, JUNE 16, 2006

Haynes Whaley Associates

Wally Ford, P.E., Exec. VP

Shaun Kirk, P.E.

Offices of HOK, Inc.—2800 Post Oak Blvd
37th Floor

Wally Ford has over 28 years of experience in planning and design of structural systems for commercial buildings. He specializes in high-rise design. He earned his Bachelor of Science in Civil Engineering degree and Master of Civil Engineering degrees from Rice University. He is dedicated to education and contributes to the architecture and engineering community by teaching a variety of courses. He served as lecturer for structural courses in the School of Architecture at Rice University for 10 years.

Shaun Kirk joins the consulting session with our students in the absence of Chris Vadala.
